<b>Determination of development charges</b>	<b>Determination of development charges</b>
<p>5. (1) The following is the method that must be used, in developing a development charge by-law, to determine the development charges that may be imposed:</p>	<p>5. (1) The following is the method that must be used, in developing a development charge by-law, to determine the development charges that may be imposed:</p>
<p>1. The anticipated amount, type and location of development, for which development charges can be imposed, must be estimated.</p>	<p>1. The anticipated amount, type and location of development, for which development charges can be imposed, must be estimated.</p>
<p>2. The increase in the need for service attributable to the anticipated development must be estimated for each service to which the development charge by-law would relate.</p>	<p>2. The increase in the need for service attributable to the anticipated development must be estimated for each service to which the development charge by-law would relate.</p>
<p>3. The estimate under paragraph 2 may include an increase in need only if the council of the municipality has indicated that it intends to ensure that such an increase in need will be met. The determination as to whether a council has indicated such an intention may be governed by the regulations.</p>	<p>3. The estimate under paragraph 2 may include an increase in need only if the council of the municipality has indicated that it intends to ensure that such an increase in need will be met. The determination as to whether a council has indicated such an intention may be governed by the regulations.</p>
<p>4. The estimate under paragraph 2 must not include an increase that would result in the level of service exceeding the average level of that service provided in the municipality over the 10-year period immediately preceding the preparation of the background study required under section 10. How the level of service and average level of service is determined may be governed by the regulations. The estimate also must not include an increase in the need for service that relates to a time after the 10-year period immediately following the preparation of the background study unless the service is set out in subsection (5).</p>	<p>4. The estimate under paragraph 2 must not include an increase that would result in the level of service exceeding the average level of that service provided in the municipality over the 10-year period immediately preceding the preparation of the background study required under section 10. How the level of service and average level of service is determined may be governed by the regulations. The estimate also must not include an increase in the need for service that relates to a time after the 10-year period immediately following the preparation of the background study unless the service is set out in subsection (5).</p>
<p>5. The increase in the need for service attributable to the anticipated development must be reduced by the part of that increase that can be met using the municipality's excess capacity, other than excess capacity that the council of the municipality has indicated an intention would be paid for by new development. How excess capacity is determined and how to determine whether a council has indicated an intention that excess capacity would be paid for by new development may be governed by the regulations.</p>	<p>5. The increase in the need for service attributable to the anticipated development must be reduced by the part of that increase that can be met using the municipality's excess capacity, other than excess capacity that the council of the municipality has indicated an intention would be paid for by new development. How excess capacity is determined and how to determine whether a council has indicated an intention that excess capacity would be paid for by new development may be governed by the regulations.</p>
<p>6. The increase in the need for service must be reduced by the extent to which an increase in service to meet the increased need would benefit existing development. The extent to which an increase in service would benefit existing development may be governed by the regulations.</p>	<p>6. The increase in the need for service must be reduced by the extent to which an increase in service to meet the increased need would benefit existing development. The extent to which an increase in service would benefit existing development may be governed by the regulations.</p>
<p>7. The capital costs necessary to provide the increased services must be estimated. The capital costs must be reduced by the reductions set out in subsection (2). What is included as a capital cost is set out in subsection (3). How the capital costs are estimated may be governed by the regulations.</p>	<p>7. (4) In giving approval to a draft plan of subdivision under subsection 51 (31) of the <i>Planning Act</i> , the approval authority shall use its power to impose conditions under clause 51 (25) (d) of the <i>Planning Act</i> to ensure that the persons who first purchase the subdivided land after the final approval of the plan of subdivision are informed, at the time the land is transferred, of all the development charges related to the development. 1997, c. 27, s. 59 (4).	(4) In giving approval to a draft plan of subdivision under subsection 51 (31) of the <i>Planning Act</i> , the approval authority shall use its power to impose conditions under clause 51 (25) (d) of the <i>Planning Act</i> to ensure that the persons who first purchase the subdivided land after the final approval of the plan of subdivision are informed, at the time the land is transferred, of all the development charges related to the development. 1997, c. 27, s. 59 (4).
<b>Exception, old agreements</b>	<b>Exception, old agreements</b>
(5) This section does not affect a condition or agreement imposed or made under section 51 or 53 of the <i>Planning Act</i> that was in effect on November 23, 1991. 1997, c. 27, s. 59 (5).	(5) This section does not affect a condition or agreement imposed or made under section 51 or 53 of the <i>Planning Act</i> that was in effect on November 23, 1991. 1997, c. 27, s. 59 (5).
	<b>No additional levies</b>
	<b>59.1</b> (1) A municipality shall not impose, directly or indirectly, a charge related to a development or a requirement to construct a service related to development, except as permitted by this Act or another Act.
	<b>Prescribed exceptions</b>
	(2) Subsection (1) does not apply with respect to,
	(a) a prescribed class of developments;
	(b) a prescribed class of services related to developments; or
	(c) a prescribed Act or a prescribed provision of an Act.
	<b>Exception, transition</b>
	(3) Subsection (1) does not affect a charge that is imposed before the day section 8 of the Smart Growth for Our Communities Act, 2015 comes into force.
	<b>Power of investigation</b>
	(4) The Minister of Municipal Affairs and Housing may, at any time, investigate whether a municipality has complied with subsection (1).
	<b>Same</b>
	(5) For the purposes of an investigation under subsection (4), the Minister may,
	(a) inquire into any or all of the municipality's affairs, financial and otherwise;
	(b) require the production of any records and documents that may relate to the municipality's affairs;
	(c) inspect, examine, audit and copy anything required to be produced under clause (b);
	(d) require any officer of the municipality and any other person to appear before the Minister and give evidence on oath about the municipality's affairs; and
	(e) hold any hearings in respect of the municipality's affairs as the Minister considers necessary or expedient.
